

OUR SCHOOL SONG

Early Years and Key Stage 1,  
Working hard and having fun,  
Always being partners to the end.  
Key Stage 2 will always be,  
A really lovely memory,  
Laughing, trying, learning with our friends.

We are young and we are free,  
We are happy as can be,  
Belong, believe, achieve together.  
Happy, safe and friendly too,  
Greenfields is the school for you,  
Belong, believe, achieve together.

CHORUS

*Happy Greenfields  
The home of happy friends.  
Happy Greenfields  
The learning never ends.*

English, Maths, Enquiry,  
Art, PE, Geography,  
Phonics, Science ~ we just love them all.  
Grammar, Spelling, Punctuation,  
History, Music, Physical Education,  
That just leaves Computing and RE

CHORUS

Forest school and climbing trees,  
Watching nature, like the bees,  
Sitting by the campfire drinking cocoa.  
Knowing where we're from and who we are,  
Where we belong and what we are,  
Greenfields University is magic.

(RAP) Belong, believe, achieve,  
We're the future
