LOCAL LIBRARY SUMMER 2017 READING CHALLENGE

The Summer Reading Challenge is the UK's biggest annual reading activity for children aged 4 to 11. Last year, 1808 children in North Tyneside took part.

How the Challenge works:

- Children sign up at their local library and receive an Animal Agents collector folder
- Children borrow and read at least six library books of their own choice during the summer, collecting special stickers to complete their folder and rewards along the way
- Library staff and volunteers will provide advice and run family friendly activities
- Children who complete the challenge will be presented with a certificate and a medal

The Reading Challenge starts on 15th July - sign up early as spaces are limited.
