

### CONNECT & APPLY

We will connect and apply our learning by having time to practise our skills in all of our lessons.

### BE POSITIVE

We will have a positive attitude to learning and always try our best.

### REFLECT

We will think about how we can improve by asking:

1. How am I doing?
2. Where to next?
3. How can I improve?

### WONDER

We will have a desire to learn new things.  
We will feel curious and explore beyond our current knowledge.

## Our Learning Habits

### QUESTION

We will ask questions to find out more.

### BE RESILIENT

We will always have a Growth Mindset.  
We will never give up.  
We will try our best when things are tricky and we will remember making mistakes helps us to learn.

### CO-OPERATE

We will work together and support each other.
