Rec		🥈 4/5	🥉 11/5	3
5T			🥉 🥉 20/4 27/4	2

236

children had 100% attendance this week. Well done to them all!

Congratulations to the Summer I Attendance Medal Table winners . . .

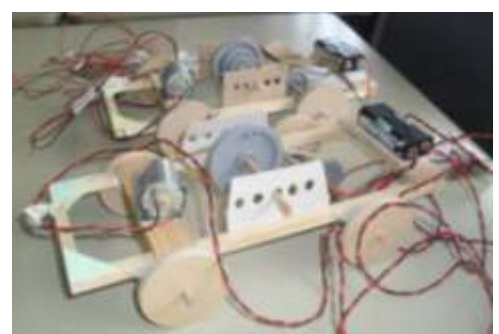

Mrs Cockman and Miss Evans will be asking the children in 6CE to choose their special treat, when we come back to school after half term

GREENFIELDS YOUNG ENGINEERS

Well done to all of the children who have been attending the STEM car building club, after school on Mondays with Miss Smith and Miss Hodgson ~ they have all been absolutely brilliant!

The children had a very challenging task - to use all their STEM skills to build a motor controlled vehicle, complete with gears, that would go forward and reverse.

Our young engineers certainly rose to that challenge!

LEARNING REFLECTION WEEK

It has been wonderful to see so many parents, carers and family members in school this week for Learning Reflection events and celebration assemblies. We hope that you enjoyed them all as much as the children and staff did.

Year 5 children have been learning about water this half term, so their reflection event was held in support of 'Water Aid', which is a charity that changes millions of lives every year by providing clean water, toilets and good hygiene in countries across the world.

For their reflection event, Year 5 planned and designed a range of exciting water games to play in the school hall; the games included apple bobbing, boat racing and hook a duck. There was also water themed face painting.

The event was a really fun way to end the half term (even if they did get a little wet!). Thank you to everyone who made a donation to 'Water Aid' on the day - the children raised £70 and the success of this event highlights how Greenfields is making a positive difference to global issues that really matter.

NEWCASTLE FALCONS AT GREENFIELDS

On Wednesday, we were lucky enough to have Newcastle Falcons team members in school to deliver some rugby drills to help us improve our passing and agility.

All children from Year 1 through to Year 6 had a session with the Falcons and they all really enjoyed it. Thank you Falcons!!

WOODLAND TRUST GREEN TREE SCHOOLS AWARDS

This year, we have been working towards the Woodland Trust 'Green Tree Schools Awards' that recognise schools for completing environmental projects and encouraging outdoor learning.

We earned our Bronze Green Tree School Award at the start of the year for the work that we are doing to look after and protect our environment.

I am now very pleased to tell you that we have earned our Silver Award and we are now working towards the Gold Award - well done Greenfields!

CHILDREN'S CANCER RUN 2018

Well done to everyone who took part in the Children's Cancer Run last weekend.

North of England
Children's Cancer
Research

The money raised from the run allows the North of England Children's Cancer Research fund to continue to support vital research into the causes and treatment of childhood cancer.

Please pay any sponsor money via the online website.

FINALLY . . . INSET DAY REMINDER

Monday 4th June is an INSET day for staff;
the children will be back to school on Tuesday 5th June.
