All of these children should all be very proud of their achievements.

POLLI:NATION CELEBRATION

On Monday, some of our children attended an event at the Herschel Building, Newcastle University to celebrate Greenfield's participation in the national POLLI:NATION project and that over the past 2 years, we have developed two sites to attract pollinators in our school grounds.

The celebration event was a brilliant opportunity for us to showcase the work that children throughout school have done on our site, plus all the things that they have learned about pollinators and pollination.

Our children were amazing ~ they presented their slideshow with confidence and enthusiasm.

We will be doing our final surveys on each site next week and then submitting the results to the project to see if we have provided everything that pollinating insects need.

As you can see from this photograph, the children are thrilled with their success.

We would like to continue to improve our sites, so if you're a keen gardener and would like to volunteer to support us with this, please contact Miss Smith ~ she'd love to hear from you.

READING CHALLENGE UPDATE

Congratulations to Amelia, Darcy, Mia, Harry, Daniel and Riley, who have already completing all the challenges in the Great Greenfields Reading Challenge and chosen a new book as their prize.

There is still time to complete the reading challenge, as there are 4 more weeks until the end of term. Children should go along to see Miss Evans and pick their prize as soon as they've ticked off all of their challenges.

~ Happy Reading!

Y6 v STAFF ROUNDERS

On Thursday, Year 6 challenged the staff to a rounders match. The staff and the children were very competitive and keen to win, really giving it their all and at the end of the match, it was a victory for Year 6.

The staff claim it is because they were outnumbered, but it was actually down to the skill, precision and excellent team work of the children.

We are so proud of them all.

Miss Taylor already has the staff in training ready for next year!

JEWELLERY REMINDER

As you are aware, children are not allowed to wear jewellery in school.

If you are thinking about having your child's ears pierced, we would ask that this happens at the start of the Summer holidays, so that by the time term starts in September, they are able to remove their earrings.

We understand that certain items of jewellery have religious significance. If parents/carers contact school requesting that their child be permitted to wear specific jewellery for religious reasons, then this would normally be agreed. However, for Health & Safety reasons, we may still have to ask children to remove these items during PE and games.
