These children should be very proud of their achievements.

JUNIOR AWARD SCHEME FOR SCHOOLS UPDATE

The Junior Award Scheme for Schools (JASS) is an accredited learning programme designed to improve self-confidence and develop key interpersonal skills such as communication, teamwork and problem solving; it also helps to build sustainable and healthy living habits.

Since September, the children in Y5 have been collecting evidence of their work across the four JASS areas:

- ❖ Me and My World
- ❖ My Interests
- ❖ Get Active
- ❖ Stay Active & Adventure

We are proud to announce that all of the children in Year 5 have now completed the 'My Adventure' part of the award.

This has involved them taking part in many outdoor activities, such as grass sledging, hiking, den building, archery, and much more.

Their next goal is to complete the 'Get Active' and 'Stay Active' sections, which some of the children are already extremely close to achieving. Evidence can include involvement in school clubs like 'Wake & Shake', or out of school clubs such as football training, or even just staying active by walking the dog every night!

PLAYGROUND SAFETY

For everyone's safety, please remember that there should be no one riding bikes or scooters on the playgrounds before or after school.

STEM WORKSHOP

This week the children in Year 3 took part in their STEM workshop. They worked alongside inspirational STEM ambassadors, to make a rocket that could transport an egg without breaking it. The children had lots of fun using their learning from class in a real world of work context.

FINALLY . . . PARENT/CARER FORUM

The next meeting will be on
Thursday 6th December at 2:00 p.m. and the focus will be:

**HOW CAN WE HELP YOU
TO HELP YOUR CHILD?**

If you have some time to spare, please do come along
- Mrs Cockman would love to see you there.
