### NORTH TYNESIDE DANCE FESTIVAL

On Monday our Year 6 girls' dance troupe performed a piece based on 'The Great Gatsby' at the Whitley Bay Playhouse in the North Tyneside Dance Festival.

Not only were the girls exceptional on stage, delivering a moving and emotional performance, they were also an absolute credit to our school back stage.

We are all so proud of their hard work and commitment.

## TYNE TOGETHER ~ 7 BILLION IDEAS 2019

Tyne Together is a competition designed to challenge children in North Tyneside to generate and develop ideas that could change the world. The ideas can be about absolutely anything, as long as they have a positive impact on the world.

The Tyne Together 2019 final was held on Tuesday and the Greenfields team pitched their brilliant idea: The Bath Stop - a mobile phone APP to help people with limited mobility to run a bath to the correct depth and temperature. It even had a bubble bath option!

Twenty-five schools went through to the finals and all of the teams had to present their poster idea and prototype to the judges. The Greenfields team worked well together to present their invention and they were inspirational. Well done to the Greenfields team!

## THANK YOU TO GFPTA

Thank you to GFPTA for organising the Easter Discos this week. The children (and staff) had a brilliant time.

## YEAR 4 STEM CHALLENGE

On Wednesday, all of the children in Year 4 took part in a STEM challenge. The children were organised into teams of 6 and they each had to take on a different business role in their team - General Manager, Accountant, Quality Controller, Buyer, Sales Executive or Production Manager.

They bought materials and built to a design specification.

They then had to negotiate a price for their product in order to sell it for a profit. The team who made the most profit won, so the children had to work out how to minimise their spending and maximise their selling.

The business ambassadors, who organised the event, were amazed at how well the children worked in their teams, using their communication skills and developing a whole range of business skills.

Well done Year 4 for your very impressive performance taking on the World of Work!

## FINALLY . . .

We hope that you all have a fantastic Easter break and look forward to seeing all of the children back at school on **Tuesday 23<sup>rd</sup> April** for the start of the Summer term.
