Y5 STEM CHALLENGE

Yesterday, all of the children in Year 5 took part in a STEM World of Work Challenge organised by the Northumberland Learning & Skill Service.

The children took on different roles in their teams designed to develop various employability skills:

- team building
- problem solving
- communication
- ability to follow instructions
- leadership

The children had great fun applying their science, technology and maths skills to meet the challenge and the result was a giant tetrahedron of over 4 metres high. It was so strong that they managed to work together to turn the whole structure over.

Well done Year 5 for using your skills to create such a fabulous structure.

PARENT GOVERNOR VACANCY REMINDER

If you would like to put yourself forward to be a parent governor, nomination papers are available from the school office and must be returned to the school office before the end of the school day Friday 17th May.

You can find out more about the expectations of the role by talking to one of our existing governors about their experience of being a governor, or contacting Harry Corlett, the Chair of Governors, via the school office.

Please note - if there is more than one candidate, the new Parent Governor will be decided by election.

FINALLY . . . INSET DAY REMINDER

Monday 3rd June is an INSET day for staff;
the children will return to school after half term on Tuesday 4th June.
