3CP			26/4 10/5 24/5	3

250 children had 100% attendance this week.

Congratulations to the Summer I Attendance Medal Table winners . . .

Mr Coverdale will be asking the children in 1DC to choose their special treat, when we come back to school after half term

YEAR 2 SECRET AGENT TRAINING

**SECRET
AGENT
TRAINING**

The children in Year 2 have now completed their Secret Agent Training ~ various tasks, challenges and secret missions (also known as Key Stage 1 SATs).

All of their hard work earned them a special Secret Agent Training activity today, with some children choosing to stay overnight.

The children had a fantastic time doing their Secret Agent Training - thank you to all the staff for making SATs so enjoyable.

CHILDREN'S CANCER RUN 2019

Well done to everyone who took part in the Children's Cancer Run last weekend.

The money raised from the run allows the North of England Children's Cancer Research fund to continue to support vital research into the causes and treatment of childhood cancer.

Research

Please pay sponsor money via the Cancer Run website.

GREENFIELDS PRIMARY ENGINEERS SUCCESS

We have just received the fantastic news that we have a Trophy Winner in this year's Primary Leaders Awards, which are part of the Primary Engineer Programme.

All the North East region winners will be presented with their trophies at a special Awards Ceremony at Sunderland University and will be the first to see their work on display at the Exhibition afterwards.

We are also delighted that several of our children were shortlisted for awards and received Distinctions for their entries: Congratulations to: **Lara, Summer, Tegan, Amelia, Elizabeth, Kaitlyn, Lily, Harry, Ellie, Romy, Thomas and Hannah.** Their work will be on display at the Public Exhibition at Sunderland University on Saturday 8th June.

The children had to do some research and interview an engineer to inspire them before answering the question:

**IF YOU WERE AN
ENGINEER
WHAT WOULD YOU DO?**

They then identified an issue and invented an engineered solution for that problem. The children had to illustrate their solution and write a letter to explain their invention, saying why it should be built by engineers.

There were some amazing, exciting entries, which clearly impressed the judges - well done Greenfields' young engineers!

FINALLY . . . INSET DAY REMINDER

Monday 3rd June is an INSET day for staff;
We look forward to seeing the children back at school on Tuesday 4th June.
