LOVE READING!

Here are this week's reading recommendations from staff and children
...

Charlotte recommends **Charlotte the Superhero** by **Eric James**

"I love this book because it is all about me!

I save people all over the world and I go on lots of adventures to make people happy and solve problems.

I even have the matching costume!"

Miss Cheel recommends **Whatever Next!** and **Peace at Last** by **Jill Murphy**

"Growing up, I loved reading stories by Jill Murphy and I love reading these books to my class now.

My favourite part in 'Whatever Next' is when Baby Bear makes a rocket and goes to the moon for a picnic. My favourite part in 'Peace at Last' is when Mr Bear finds peace at last, just as the alarm-clock goes off!"

MONEY SENSE IN YEAR 3

We want all children to achieve their potential, so we aim to provide experiences that show them the wide range of possibilities available for their future, including further education and the World of Work.

Linked to this curriculum priority around **Aspiration**, yesterday children in Year 3 took part in a Moneysense Super Smoothie workshop in partnership with the National Westminster bank to make learning about money relevant and fun.

The children worked in groups, finding out how to budget, purchase and make a profit in their smoothie business. By the end of the session, none of the groups had made a loss in their business, proving they had good money sense and business acumen. Well done Year 3!

FINALLY . . .

By popular demand, 'Wake and Shake' has returned and will take place every Wednesday and Thursday morning until Easter half term in the school hall from 8:30 a.m. for children from Reception through to Y6.

Children should come to the school office **no earlier than 8:30 a.m.**
