

School Games Active Championships

- National activity campaign to help young people across the UK to #StayInWorkOut & new way to engage children and transform their time spent on-screen into time spent being physically active.
- Primary and secondary-aged children can join the Championships at any time with **free** active challenges being set via videos through the TopYa! Active app.
- Children practice the challenges, then submit their best video using a mobile device and will receive personal coaching feedback from the TopYa! team of experienced virtual coaches. The coaches act as a moderator to ensure that all content uploaded to the app is appropriate and does not give away personally identifying information.
- Points are earned for each video submitted and children have the opportunity to climb up the national leader board & win prizes!
- New challenges will be available on Mondays, Wednesdays and Fridays and can be found in the “My Skills” section under the “Skill Academy” area on the app after sign-up.

No one can communicate within the app. All children can do to communicate with one another is give each other a virtual ‘high-five’, which functions like a social media ‘like’. Video content is suitable for young people of all ages and abilities, with regular submissions from National Governing Bodies of Sport.
