

Greenfields Home/School Learning: Creative Learning

Week beginning Monday 1st June

Monday

Georges-Pierre Seurat was a French post-Impressionist artist. He is best known for devising the painting techniques known as pointillism.

Pointillism is a technique of painting in which small, distinct dots of colour are applied in patterns to form an image.

Task: what can you see outside of your window? Create a piece of pointillism art either from the view outside your window or the view from one of the windows you have been given.

Find out more about pointillism through the following link:

Tuesday

Flower Pressing

Flower pressing craft is a great way to combine the great outdoors and art. All you need are leaves, flowers, dandelions, kitchen roll and something to do the pressing. Go on a walk, in your garden or your street and find some leaves, dandelions and/or flowers. Once you have the number you would like go home and arrange them on your piece of kitchen roll. When you are happy with your arrangement, place your second piece of kitchen roll over your art. Next get something heavy enough to press the flowers like some books, and place them on top. Finally be patient, the longer you leave your flowers and leaves to press the better the results: 1-2 weeks would be perfect.

<p>Wednesday</p>	<p>Imagine you are in space looking down at the Earth or on Earth looking through a telescope at space: what can you see? Use paints, coloured pencils, coloured pens or any drawing materials you have to create your own piece of space art. Here are some examples to help you:</p> 
<p>Thursday</p>	<p>Spend an afternoon taking part in some adventurous play at however it is safe to do so. How can you use things at home for something different?</p> <p>Ideas could include:</p> <ul style="list-style-type: none"> • Den building: use old sheets, cardboard boxes, cushions and so on, to build yourself a cosy den. Check out https://www.standard.co.uk/tech/ikea-forts-dens-designs-lockdown-entertainment-a4444781.html for some inspiration • Dressing up and role play • Make an obstacle course for the whole family; what can you go over, under, through? • Make music. How about using pans and spoons to create your own song. • Sail the ocean on a pirate ship. Could you use a cardboard box to make your very own pirate ship? • Create some amazing recipes or potions in your very own mud kitchen. <p>Believe in yourself and let your imagine take you anywhere!</p>
<p>Friday</p>	<p>What is your dream? How can you explain your dream to others?</p> <p>Try one of the following to explain what your dream is and inspire others. Remember to dream big, you can go anywhere you want to go!</p> <ul style="list-style-type: none"> • Create a piece of art to show your dream. It could be a drawing, a collage, a piece of art using the environment (leaves, flowers, sticks) • Write a poem • Write a song or a speech to inspire people to dream big
