June 2020

Dear Children,

It feels like an awfully long time since I wrote to you last... I have a surprise for you!

Thank you for all of your creative ideas for our new logo. In each and every idea that was sent to me, I could see how you had thought really hard about our new values statements.

I am delighted to be able to reveal our new school logo below! I do hope you like it.

~ **stay curious and follow your dreams... never lose your sense of wonder** - is shown by the light-bulb; this will remind you to never stop having those 'light-bulb' moments. The world is a fascinating place and we never want to you to stop being amazed by it.

~ **confront your fears and take a chance... mistakes are the best lessons** - is shown by the footsteps; this will remind you to be brave in your choices. You have to make a mistake sometimes to know how to make things right next time.

~ **never stop asking questions... seek out the answers** - is shown by the hands; this will remind you to question everything. We want you to be hungry for knowledge.

~ **you are capable of changing a situation... become the explorer of tomorrow** - is shown by the mountain; this will remind you to never settle for your situation. Be courageous in the ambition you have for yourself.

When you come back to school you will see our new logo in and around school. This half term your home/school learning is all about our new values; it has been lovely to see what these statements mean to you and the work you have been completing at home.

We are missing you all enormously. We know you have all had to be very brave about the changes to your lives in the last three months...one day when this is all over, you will be able to tell your children how we overcame this challenge together. In the meantime, be kind to yourself and the others around you; you are a source of hope for your families more than you will ever know and fills me with pride that you are pupils of our school.

With very kind wishes,

Mrs Dobson ~ Deputy Headteacher
