

**Friday 17th July**

Theme - Celebrate

**Step 1 - Celebration week**

Thank you for working so hard and being fantastic during this time. We hope you all have a fabulous summer break.

This is your last picture to make you think really hard.

**Discussion Points -**

Who has written the message?	Can you remember the last five times you said thank you?	When you say thank you, how does it make someone feel?
Why have they written the message?	Why did you say thank you?	In what other ways are you polite to people?

# English task

## Tasks - Early Years

Can you draw what the person in the picture has said 'thank you' for?

Reception: Write a sentence about your picture.

## Tasks - Key Stage 1

Write a thank you message to whoever has been helping you during lockdown. Tell them why you are grateful to them for their help.

Watch them read your message and see if they smile. I bet you make them feel really happy.

## Tasks - Lower Key Stage

Think about who in your life you have ever said thank you to and why?

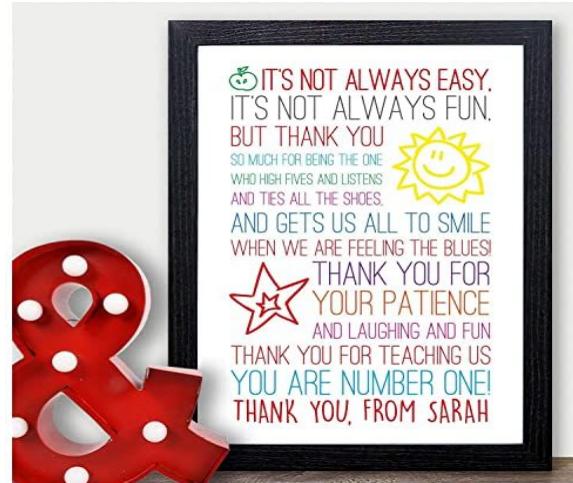

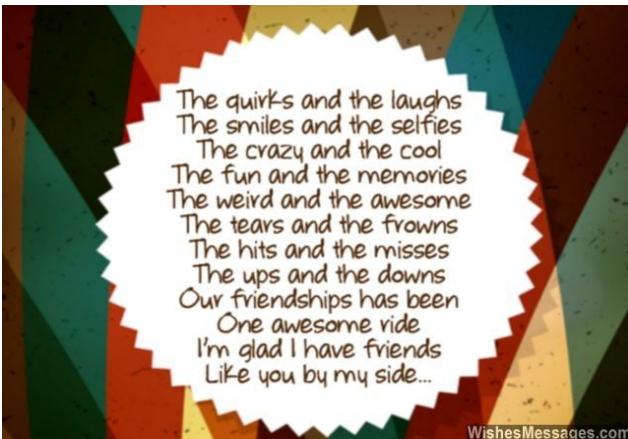

Was it a member of your family, a friend, teacher, other staff in school?

Is there anyone else we should say thank you to? Many people did posters for the NHS and other key workers.

Read the thank you poems below.

Write a poem to someone who has helped you or cared for you. Tell them what they did or do to make you feel happy and grateful. Maybe it could be for someone you have not seen for a while. If you write one for a friend or teacher, post it on Seesaw and it could be passed on to them.

I can talk with a friend  
and walk with a friend  
and share my umbrella in the rain.  
I can play with a friend  
and stay with a friend  
and learn with a friend  
and explain.  
I can eat with a friend  
and compete with a friend  
and even sometimes disagree.  
I can ride with a friend  
and take pride with a friend.  
A friend can mean so much to me!

## Tasks - Upper Key Stage 2

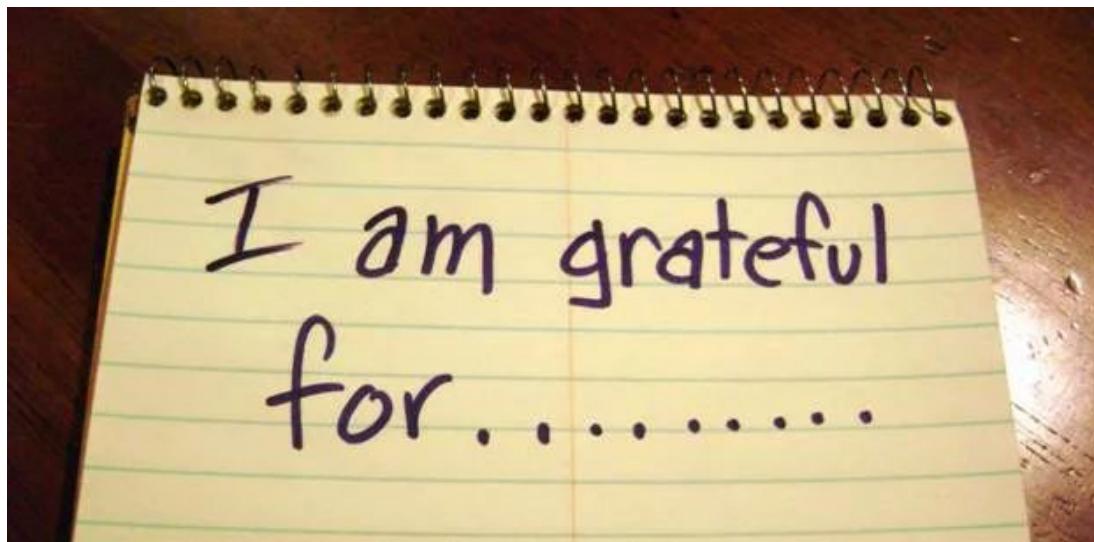

The last day of term is definitely different this year!

The lockdown and home learning experience has been new and challenging for us all. It is so important to be thankful at this time to remember and celebrate the people in our life who have helped us! And also to remember the little things that have made us smile!

Write a gratitude list about everything you are thankful for.

Watch this video to inspire your ideas!

## Well-being task

Let's come together and sing!

Here is a song that we really enjoy singing at Greenfields.

YouTube - Robbie Williams | Love My Life (Official Lyrics Video)

YouTube - Makaton - Love My Life - Singing Hands

<https://safeYouTube.net/w/M62M>

## Maths task

Make your own board game that you can play with your family.

Choose a style of board game that you like and make a quick design. This could be snakes and ladders, battleships, monopoly, twister etc. Write down what you will need to make your game. You will need to be resourceful and use things that you have, for example, a cereal box for the board, make a dice out of a small box or draw the net and fold a piece of paper. You could use bottle lids as counters.

Next, is the making. Have lots of fun making your game look attractive so that everyone will be excited to play it. Remember to write down the rules so there won't be any cheating.

Finally, after tea, all sit down and have lots of fun together as a family, celebrating the end of the school year by playing your game.

## Outdoor Learning

Well it is the last day of the Summer term.

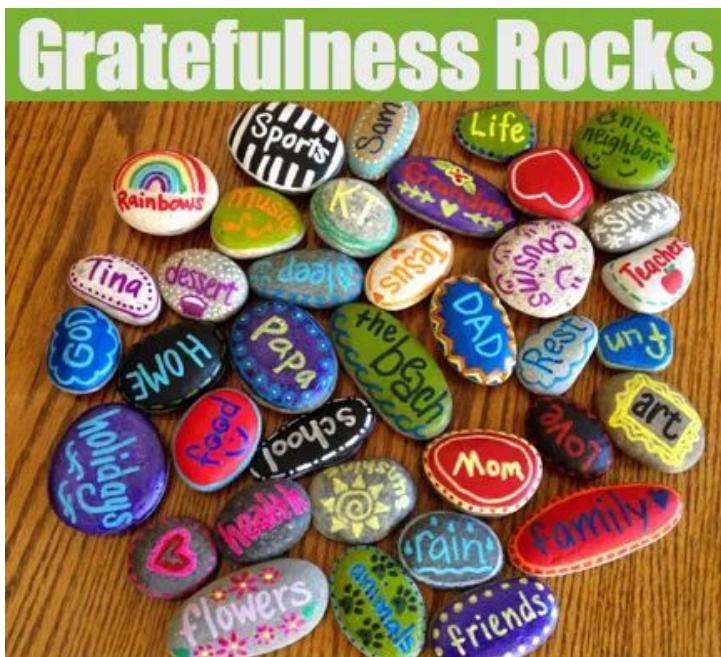

For your outdoor learning activity today think about the posters you made yesterday.

In outdoor learning discuss what you could do outside to celebrate your achievements over the past 4 months and the last day of term.

# Creative Learning

For your final creative activity this term you have a **choice of crafts** to celebrate what you are thankful for. Sometimes when life is tricky or we face challenges, when we remind ourselves of all the things we have to be grateful for, it can help us tackle these challenges!

We have all had to face new challenges recently, and these crafts are to remind you of all the things in your life that have helped you!

LINKS OF GRATITUDE

Watch the video and make a 'people chain'. Then draw the people you are thankful for!
