

Tuesday 14th July

Theme - Transition - Could you change into a Superhero?

Step 1 - Listen to this story.

Ten Rules of Being a Superhero

<https://safeYouTube.net/w/PAOM>

Step 2 - Watch this trailer about some real superheroes.

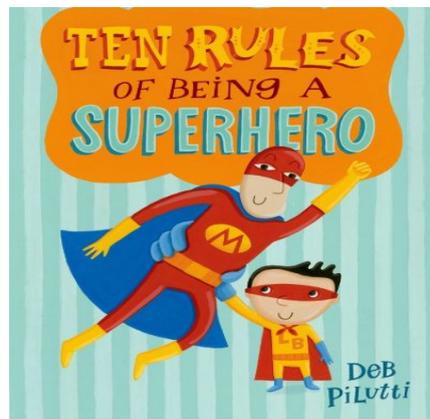

Marvel's Hero Project | Official Trailer | Disney+ | Streaming November 12

<https://safeYouTube.net/w/DAOM>

Discussion Points -

Which superpowers would you want if you changed into a Superhero?

How would you use them?

Have you got a favourite superhero?
Perhaps you have seen some in films. What makes them a great superhero? What did they do?
Were there any villains that wanted to stop them doing good things?

If you had to wear a costume what would you wear and why?

Would you have a vehicle or objects that have superpowers to help you?

The Marvel Hero Project shows some children that are seen as heroes.
They were all inspired to try to make the world a better place.

Could you be a Superhero?
What would you do?
Who would you get to help you?

English task

Tasks -Early Years

Draw your favourite superhero.

Nursery: Explain to an adult why you like them and what their super powers are. Use the voice recorder function in Seesaw to record your conversation or upload a video of your discussion.

Reception: Write a description of your chosen superhero.

He has _____

She can _____

Tasks - Key Stage 1

Draw yourself as a superhero.

Write a short description about your superhero powers and what you can do.

You might even choose to draw a comic strip of you as a superhero.

Tasks - Lower Key Stage 2

Many fictional Superheroes have secret strengths, they may fly, be invisible, read minds, be super smart. Sometimes they come from different planets, they may be radioactive, be from a family of Superheroes, have a secret identity, they often wear special costumes, or have vehicles with symbols and they sometimes team up with other Superheroes to fight villains. They have to show strength, be focused and brave and want to help others.

The children in the video used their strengths and energy to help and make a positive change for themselves and others. All Superheroes believe in themselves.

You too could be a Superhero, either in your imagination or in real-life.

You could either write a story about what you as a Superhero or draw a comic strip showing how you help others.

Tasks - Upper Key Stage 2

Superheroes need to be brave, resilient, and committed to doing good in the world and helping others.

Think of someone in your life who you see as a superhero, it could be a family member, a friend, a teacher, a scout leader or anyone who stands out to you because they always go the extra mile to help others and do good in the world!

Draw the person and write a paragraph describing them starting with:

Name is my superhero because...

You might want to give them your work as a gift, to show them how much they mean to you!

Well-being task

Create your own Superhero Top Trumps using the Superheroes in school or at home. You can create your own categories and scores.

Intelligence:	91%
Agility:	62%
Strength:	42%
Hidden Power:	58%

Intelligence:	93%
Agility:	53%
Strength:	65%
Hidden Power:	70%

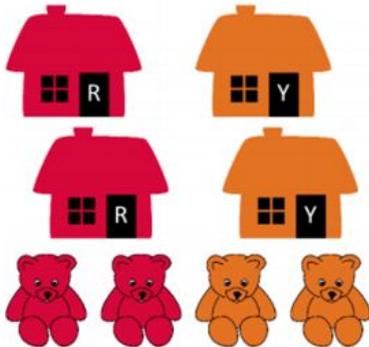

Maths task

Teddy Town

In Teddy Town, teddies are either red or yellow and they live in red or yellow houses. There are 4 teddies - 2 red and 2 yellow, and 4 houses - 2 red and 2 yellow.

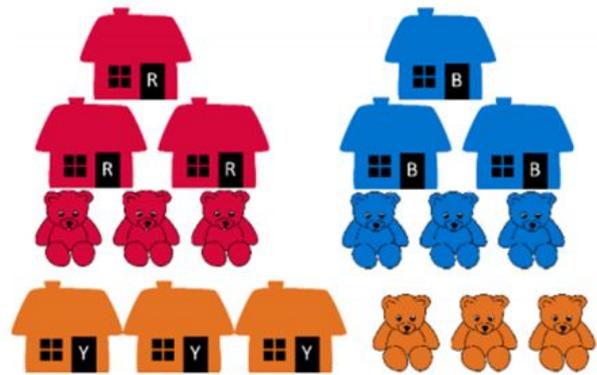

Can you put each teddy into a house so that the four combinations are all different from each other?

Imagine now that there are **three** different colours of teddies and houses - red, yellow and blue.

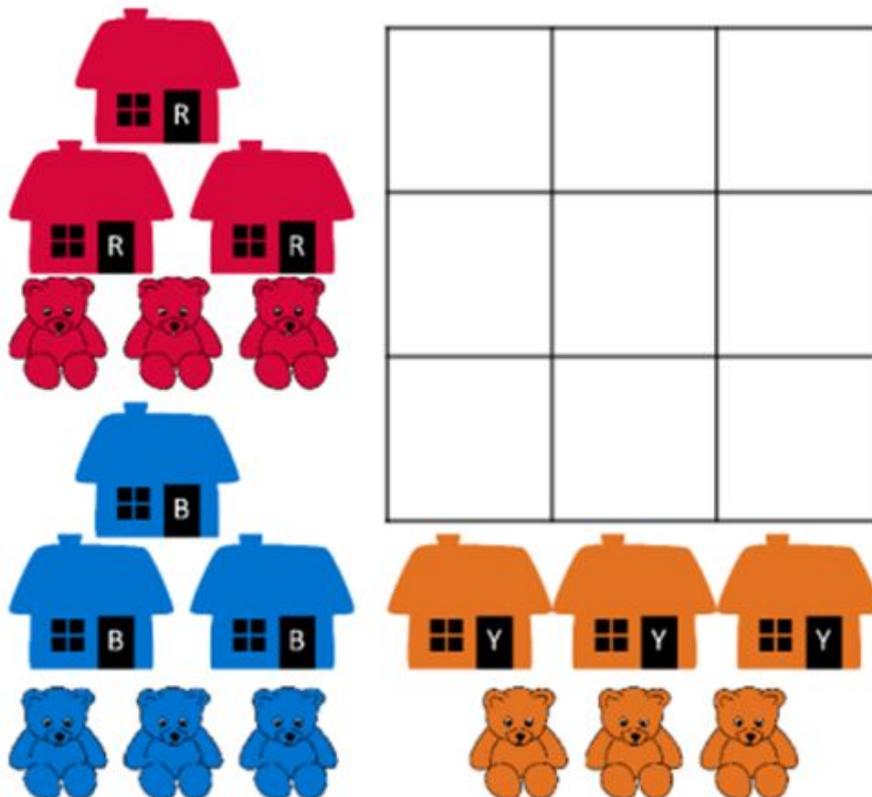

In Teddy Town now there are 9 teddies and 9 houses.

What are the nine different combinations of teddies in houses?

The streets in Teddy Town are very special. Looking at the map grid below, each row and column must have different coloured houses and different coloured teddies.

Can you arrange the houses and teddies on the map grid, making sure that all 9 pairs of houses and teddies are different from each other?

Outdoor Learning

Superheroes love to keep fit as this gives them the energy to change things. Watch this video before you go outside.

Join in if you wish.

5 Minute Superhero Kids Workout | Summit Area YMCA

<https://safeYouTube.net/w/pb1M>

Watch again and note down the sequence of moves on a piece of paper.

Go outside and put together and practise your own Superhero workout. You may want to add some different moves or exercises from the activities we have done over the past few weeks.

After your workout, take a rest and think of any Superhero tasks you could do to improve the life of yourself and others.

Maybe you could offer to walk the dog, wash the dishes, tidy up, water the plants, do some weeding, help your grandparents, parents, carers.

Post on Seesaw any Superhero activities you complete.

Creative Learning

An important part of being a superhero is having a costume and logo that makes you original and disguises your true identity!

Give yourself a superhero name and design your own costume and logo!
