

## GREENFIELDS COMMUNITY PRIMARY SCHOOL

### Visitor Guidelines during the COVID19 Pandemic

#### **Welcome to Greenfields Community Primary School**

We kindly ask that you read the following information before entering our school site.

We ask visitors **not** to come into school if:

- in the past 14 days you have travelled from, or transited through, any of the countries or areas that are currently on 'lockdown'
- if you have developed a fever (above 37.8C), a loss or change to your sense of smell or taste or a new, continuous cough within the last ten days

#### **Whilst on site you are required to:**

~ complete the NHS track and trace form in the blue folder at the office window before entering the site

~ wear a face covering

~ wash their hands with soap and water before leaving home and use the sanitising gel found at different points throughout school

~ adhere to social distancing guidance

~ practice good respiratory hygiene

~ alert a member of staff if you begin to feel unwell whilst on site

~ remain in the areas of school for which you have permission

If you are bringing a team for a fixture or a similar event, we ask that you have checked that none of the members of this group fall into either of the categories above.

**We thank you for your continued understanding and support.**
